Feedback from the Students on the College Library
<u>Academic Year: 2021-2022</u>

1. The books in the Assamese section should be arranged according to their forms and genres such as novels, short stories, criticism, poetry etc.
2. Silence in the library should be very strictly maintained and those who violate the serenity of the place should be asked by the concerned officials not to do that.
3. The reading room should be more spacious.
4. Number of books not sufficient.
5. All, entering the library should remove their footwear as per the given instruction.
6. The books should be arranged semester wise.
7. The books are not being kept clean and in order.
8. Books for the current curriculum are not sufficient.
9. Books for the C.B.C.S. syllabi are not adequate and to be increased.
10. Library should be on the ground floor.
11. It should be developed further.
12. In my opinion everything is well, but some books are required on Biotechnology, Microbiology etc.
13. There are very few books for the Science students; collection for science should be enhanced.
14. We need some famous novels and books on Finance.
15. It is not possible for all the students to purchase the books for their economic condition. So more books to be collected for the college library and it will really help the students. More books should be purchased for APSC, UPSC examinations.
16. More books should be collected as per the C.B.C.S. syllabus.
17. Everything is fine in the library, but it should be more spacious.
18. More students should visit the library and read books.
19. Besides the books of the Honours and Regular courses, other books in adequate number should be made available.
20. Noise in the library is a problem, that to be controlled.
21. More books and journals on various subjects like General Knowledge, History, Philosophy, Literature, Art, Biography should be collected for the library. More news papers and magazines should be kept and archived in the library.
